"Strengths were that the course material was interesting and organized. I was able to use content in everyday life."

"She is very passionate about the class and wants to make sure that everyone has the chance to speak and ask questions, whether in class, writing a question down after class, or through email."

"Interested and knowledgeable in area."

"The participation system with class discussion works really well."

"She seemed to care a lot about how everyone did in the class, and made especially sure that we understood all of the topics discussed."

"She covered the material very thoroughly and she encouraged us to participate. The powerpoints and lectures were helpful."

"She is really nice. The lectures got better over the semester because she listened to our feedback and got more comfortable."

"Overall I thought Professor Murdock was a great professor. She made class discussions interesting and interactive."
